2026

2ND STATE CONFERENCE ASSOCIATION OF RADIATION ONCOLOGISTS OF KARNATAKA

* Expert Scientific Sessions * Innovative Workshops * Interactive Lectures

AROKSCON 2026 BELAGAVI

16-17 MAY 2026

KLE CENTENARY CONVENTION CENTRE

Hosted by

**DEPARTMENT OF RADIATION ONCOLOGY
JAWAHARLAL NEHRU MEDICAL COLLEGE
KLE ACADEMY OF HIGHER EDUCATION & RESEARCH (KAHER)
BELAGAVI, KARNATAKA**

Welcome to the Second Capital of Karnataka - Kunda Nagari BELAGAVI

GREETINGS FROM AROKSCON 2026!!

Dear Delegates,

Warm greetings and a heartfelt welcome to **AROKSCON 2026 – the 2nd State Conference of the Association of Radiation Oncologists of Karnataka**, to be held on **16th & 17th May 2026** at **KLE Centenary Convention Centre, Belagavi**.

Hosted by The Department of Radiation Oncology, Jawaharlal Nehru Medical College, KAHER, Belagavi, with the **theme “Radiotherapy in the Real World: From Evidence to Everyday Practice”**, this conference aims to bridge the gap between clinical trial data and practical implementation in diverse treatment settings. In an era of rapidly evolving technology, precision medicine, adaptive radiotherapy, AI integration, and value-based oncology care, AROKSCON 2026 will focus on translating evidence into feasible, effective, and patient-centered real-world practice.

The **scientific program** is thoughtfully curated to address contemporary challenges in radiation oncology – contouring standards, technology adoption, hypofractionation, brachytherapy innovations, image guidance, quality assurance, multidisciplinary tumour boards, and survivorship care – all discussed through the lens of real-world applicability. Interactive panel discussions, case-based deliberations, debates, and expert lectures will ensure meaningful academic engagement.

Belagavi, known for its academic heritage and warm hospitality, provides the perfect backdrop for scholarly exchange and professional networking. We look forward to welcoming clinicians, medical physicists, radiation technologists, residents, researchers, and industry partners for two days of enriching scientific discourse and collaborative growth.

Join us as we collectively advance the practice of radiotherapy – making evidence work for every patient, every day.

We eagerly await your participation at AROKSCON 2026

Warm regards

ORGANIZING COMMITTEE - AROKSCON2026

THEME: RADIOTHERAPY IN THE REAL-WORLD

-from Evidence to Everyday practice

AI workshop

Amalgamation of real and artificial in modern day radiotherapy

Attempt to clear the clouds

Well curated scientific sessions addressing the real world RT challenges

Nurturing the young minds

Platform to portray your research and creativity

Together each achieve more

Celebrating the radiotherapy team

Dose Colour Wash

OF ACADEMIC FEAST

6 PANEL DISCUSSIONS

8 ACADEMIC SESSIONS

ORATION

AI WORKSHOP

2 KEYNOTE

PG QUIZ

DEBATE

1 MINUTE REELS

Oral/Poster presentations

ABOUT THE HOST

The Association of Radiation Oncologists of Karnataka (ARO-Karnataka) is a regional chapter of the national AROI, dedicated to advancing the practice of radiation oncology in the state of Karnataka. The association serves as a platform for radiation oncologists, researchers, and healthcare professionals to collaborate, share knowledge, and promote best practices in the treatment of cancer.

Jawaharlal Nehru Medical College (JNMC), Belagavi is a premier medical institution in Karnataka, established in 1963 and affiliated with KLE Academy of Higher Education and Research. JNMC is regarded as one of the leading medical colleges in North Karnataka, combining academic excellence with advanced patient care facilities. Recognized for postgraduate training and clinical research with national and international accreditation. Department of Radiation Oncology functions at the KLE Sampatkumar S Shivanagi Cancer Hospital, which is a 300 bedded Comprehensive Cancer Care Centre, equipped with state of the art radiotherapy facilities and is being recognized as one of its kind in the north Karnataka region.

Belagavi is a major city in northwestern Karnataka. Known as the “Second Capital of Karnataka,” it hosts the state’s winter legislative session at the Suvarna Vidhana Soudha. It is the Gateway between Karnataka, Maharashtra, and Goa. Considered as educational and medical hub, it is also known for its rich cultural and culinary heritage. The pleasant weather adds to the beauty of the city. Belagavi fort, Jain temple, Gokak falls are some of the major tourist attractions.

REGISTRATIONS ARE OPEN!!
